

Trump and Musk argued online after Musk left Trump's team over a spending plan disagreement.

Trump is sad Musk didn't like his spending plan. He wants Musk to be mad at him, not the plan. Trump thinks the plan is good.

Musk said Trump would have lost without him. This made them argue more. They used to work together, but now they are not getting along.

Musk and Trump had a fight soon after Musk stopped working for Trump. This shows how fast things can change between friends.
