

# Hamas and Trump's Peace Plan

A Hamas leader said they might not accept Trump's peace plan for Gaza. They think it helps Israel more and ignores Palestinian needs.

Israel's leader agreed to a plan, but Hamas hasn't decided. Some Palestinians support it for peace, despite its flaws. Many in Gaza want peace.

Hamas is asked to release hostages, but fears attacks. Netanyahu wants soldiers in Gaza. People in Gaza want a ceasefire to stop the fighting.
