

Help Needed in Gaza

The UNRWA chief says to stop hunger in Gaza, the aid blockade must end. Many are hurt or killed trying to get help. The aid system is unsafe and unfair.

A new aid point in Rafah is far away. Reports of gunfire cause fear. It's unclear if the IDF or Hamas is to blame. People are scared and hurt.

The UNRWA chief wants the blockade lifted and safe aid delivery. He asks for the media ban to end so the truth can be seen.
