

Trouble for Keir Starmer

Some in Sir Keir Starmer's party think he is not doing well. They worry about losing jobs in the next election and talk about changing the leader.

Some say Wes Streeting might want Sir Keir's job. Wes supports Sir Keir but is unhappy with how things are run, making Sir Keir's position weaker.

Sir Keir will answer questions soon. People will watch him. The Budget is next. It's important. Sir Keir must show he can lead well.
