

The Israeli military found Mohammed Sinwar's body in a tunnel in Gaza. He was a Hamas leader killed in May 2023.

The tunnel also had other bodies, including another Hamas leader. The IDF believes that Hamas uses places like hospitals for hiding. This is.

Fighting began in Gaza after an October 2023 attack. Many have died. Israel aims to stop Hamas and free hostages. Sinwar joined Hamas in the 1980s.

The UN is worried about attacks on hospitals. They say hospitals must be safe. Israel says it's stopping Hamas, but checking facts in Gaza is hard.
