

The CNPA Board said goodbye to Sir Craig Mackey and Sue Scane. They worked for six years. Sir Craig was interim chair, and Sue led a committee.

Sir Craig liked working with the Civil Nuclear Police. Sue enjoyed visiting sites and learning how a nuclear power station works.

Sue was happy with her work. She helped with money and planning. Susan Johnson thanked them for their hard work.

Susan said they helped the Board a lot. Sue and Craig made sure it worked well. Susan wished them good luck.
