

The Madrid Grand Prix will be a new F1 race in 2026, held on 11-13 September, replacing Imola, on a new track near the airport.

The F1 season has 24 races. Starting in Australia in March, ending in Abu Dhabi in December. Canada race moved to May to help cut carbon emissions.

British Grand Prix: 3-5 July.
Barcelona race: 12-14 June. Dutch Grand Prix at Zandvoort: 21-23 August.

The season ends with races in the USA, Mexico, Brazil, Las Vegas, Qatar, and Abu Dhabi. This aims to make races greener and more efficient.
