

Jenni Hermoso, Spain's top goal scorer, is not in the 2025 European Championships squad. She helped Spain win the 2023 World Cup.

Coach Montse Tome says picking players is tough. Hermoso faces competition from stars like Alexia Putellas and Aitana Bonmati.

The tournament starts on 2 July. Spain plays Portugal in group B. Players include Mariona Caldentey and Leila Ouahabi, known for their skills.
