

A Mother's Hope for Her Son

Herut's son Tamir was taken by Hamas two years ago. She hopes a peace plan will bring him and other hostages home.

Tamir was taken on 7 October 2023. His family last saw him in a video. Herut says life has been hard and feels like time has stopped.

President Trump's peace plan gives hope. Herut and others in Tel Aviv support it, wanting hostages home and peace in the region.
