

Trump Talks About Oil and Hungary

Trump might let Hungary buy Russian oil. Hungary struggles to get oil elsewhere. Hungary's leader, Viktor Orbán, is a friend of Trump.

Trump and Orbán talked about the Ukraine war. Orbán thinks only Hungary and the US want peace. Trump hopes the war will end soon.

Orbán wants cheap energy from Russia and to win Hungary's election. Trump praised Orbán's views on immigration and told Europe to respect him.
