

Donald Trump will visit China after talking to Xi Jinping about trade. They invited each other to visit.

Both countries blame each other for breaking a trade deal. They raised taxes on each other's goods but agreed to lower them. Talks have slowed down.

Trump wants to check Chinese students in the US. He also talked about Taiwan. The US supports Taiwan but follows a "One China" policy.

Trump likes making deals alone. China uses a team. Trump respects Xi but finds him tough to deal with.
