

Cristiano Ronaldo, 40, and Lamine Yamal, 17, will face off in the Nations League final. Both scored in their semi-final games.

Ronaldo says Yamal is doing well and should enjoy his talent without pressure. Yamal respects Ronaldo and is excited for the big game.

Yamal won big trophies with Spain and Barcelona. He scored many goals and played in big matches. By 18, he achieved more than Ronaldo at that age.

Ronaldo is 40 and still plays well, scoring goals and winning titles. Yamal has a bright future, but matching Ronaldo's career will be hard.
