

Iga Swiatek and Aryna Sabalenka are top tennis players. They will play in the French Open semi-final. Swiatek is good on clay, Sabalenka on all surfaces.

Swiatek is great on clay and has won the French Open. She is practising hard and her strong forehand helps her win.

Sabalenka is strong and has won many matches. She needs to start strong to beat Swiatek and is learning to use different shots to surprise her.

Swiatek and Sabalenka are friendly rivals. They practise together and have fun off the court, but they are serious about winning.

Both players are excited. Sabalenka loves challenges. Swiatek wants to keep winning. The match will be fun to watch.

The winner will play in the final of the French Open. This match is important for both players. They want to prove who is the best on the clay courts.
