

Watch the British and Irish Lions rugby matches in Welsh for free on S4C. Highlights and a live match against Argentina will be on S4C's iPlayer and YouTube.

Two Welsh players are in the squad. S4C supports rugby. Lions want a highlights deal in England. Sky Sports will show live matches.

BBC won't have live radio for the tour. They're focusing on other sports. ITV and Channel 4 have different sports events this summer.
