

Russell Brand, a TV star, says he is not guilty of crimes like rape and assault in London court for events from 1999 to 2005.

Brand has a trial in June 2026. Until then, he is free on bail. He is happy to prove his innocence in court.

Brand became famous as a **comedian** and TV host. He later acted in movies. He has always said he never forced anyone into anything they didn't want.
