

BBC Needs to Win Back Trust

The BBC's show Panorama made a mistake with a Trump speech, making it seem like he said something he didn't. This upset Trump and others.

Lisa Nandy says the BBC must work to win back trust. It's important to the UK and should be fair. Rules will be checked to keep it trustworthy.

BBC leaders quit due to problems. They admit mistakes but say BBC still does good work. BBC will answer questions and try to fix issues.
