

A UN official says the world must help get food into Gaza. Israel is stopping it, saying Hamas takes the food aid.

A UN official says more action is needed to stop a possible genocide in Gaza. They want the world to help the people there. This is very serious.

Israel says the UN isn't helping with their aid plans. This makes it hard to get food to people who need it.

People in Gaza need food and help. The world is watching and wants to help them.
