

A new Sainsbury's is being built in Whitehill & Bordon. It opens in summer 2026 and will bring 75 jobs. It's to improve the town centre.

The new store changes the old Army site. There are 2,400 new homes. The town gets a Health Hub, and places like The Shed are better now.

People are happy about the new store. They think it will help the community and make the town centre lively. Everyone is excited about the changes.
