Hamas wants the war to stop, Israeli troops to leave, and aid. Israel wants Hamas to give up weapons and free hostages.

Israel is worried that stopping the fight might make Hamas stronger. Some leaders want to keep fighting until Hamas is gone and hostages are free.

A group is giving food to people in Gaza who need it because of fighting. They have given out 1.8 million meals so far.

The fighting has hurt Gaza a lot. Many people have died, and buildings are damaged. Hospitals are struggling to help people because of the fighting.

The war started after a big attack by Hamas on Israel in October 2023. Many people on both sides have been hurt or killed since then.
