

Israel and Iran are in the Middle East. Israel started in 1948 for Jewish people. Iran is an Islamic Republic. They have been enemies for years.

Israel attacked Iran over a nuclear bomb claim. Iran sent drones back. UK and US want both to stay calm.

Nuclear weapons are strong bombs. The US and Russia have them. Iran says its work is peaceful, but some are worried it wants a bomb.

The United Nations wants the countries to talk, not fight. If upset by news, talk to someone or read advice to feel better.
