

Travel to UK: New Rules for Visitors

From 2 April 2025, people from Europe need an ETA to visit the UK. You can apply from 5 March 2025. It allows visits up to six months.

An ETA lets you travel. Apply on the UK ETA app or GOV.UK. Use official sites to avoid scams. Most people get a decision in minutes.

Pay £16, give contact and passport details, and upload a photo. Use the same passport for travel. For more info, visit GOV.UK.
