

England is playing cricket against the West Indies in Derby. The game started at 1pm. England won the toss and is batting first.

The rain delayed the start. Tammy Beaumont and Amy Jones are batting for England. They are doing well and have not lost any wickets.

England scored 164 without losing a wicket. Beaumont made 69, and Jones made 86. This is their best opening partnership against West Indies in ODIs.

Some important players are missing. Heather Knight is injured and cannot play. New players are getting a chance to show their skills.

The game is part of a series of nine matches before the **World Cup**. England is trying new strategies and players to prepare for the World Cup.

The match is still ongoing, and England hopes to set a big score. The West Indies will bat next. Everyone is watching to see how the game unfolds.
