

Cosey Fanni Tutti is a UK artist and musician. She was in Throbbing Gristle and did art shows like "Prostitution" that made people think.

Cosey worked in the adult film industry to change views. Her work was shown in London and New York, but she doesn't want to visit America now.

Cosey and Chris live in a chapel in Norfolk. They make music. Cosey made a new album called 2T2 after tough times.

Cosey wrote a book and a film is being made about her. She feels linked to women like Margery Kempe and thinks their stories matter.

Cosey loves gardening and reading in the countryside. She doesn't tour now but makes music. Her new album is coming out soon.
