

Charity's Minibus Stolen and Burned

A charity in Milton Keynes helps adults with learning disabilities. Their minibus was stolen and burned. It was important for getting to places.

The charity is upset about losing the minibus. It was the only safe travel for 81 people. The local community has been very kind and helpful.

The charity needs help to buy a new bus. Even with insurance, they can't afford it. They are upset someone took something so important.
