

Manchester City is preparing for the Club World Cup starting 14 June in the US. This marks the start of a new season.

City wants to do well with new players. They might sign soon. The transfer window is 1-10 June and 16 June-1 September. City will play group matches.

Players are worried about playing too many games. They need more rest. The Club World Cup is important, and City wants to win. Many will watch it.

City has 115 charges for breaking financial rules. If guilty, they may lose points or be relegated. City denies this and awaits the decision.
