

Alex Warren is a singer from the US. His song "Ordinary" has been number one in the UK for 12 weeks, the longest since Ed Sheeran in 2017.

"Ordinary" was written for Alex's wife. It's been played 107 million times and is the biggest song on Spotify in the UK, breaking a 70-year US record.

Alex got famous with Hype House on TikTok. His song is popular at weddings and like other famous love songs that stayed at number one.

Chart rules changed in 2017 to help new songs. But "Ordinary" is still popular, showing people still love it.
