

Summer is a good time to change clothes. You can look nice without spending a lot. There are many tips to help you look good.

Vintage clothes can save money and look special. Try silk ties, checked shirts, and retro sports shorts to make your outfit unique.

Butter yellow is a popular colour this season. Try it with classic colours like black or blue. It will add a bright touch to your clothes.

Printed T-shirts are fun and trendy. Look for designs from artists or brands you like. They can add personality to your outfit.

Applique is sewing patches on clothes to make them special. It's a fun way to refresh your wardrobe.

Socks can be stylish too. Choose plain colours for a smart look. Avoid socks with funny designs, as they can look silly.

White T-shirts are a must-have. They are simple and go with everything. Make sure it fits well and is made from good quality fabric.

Linen shirts are perfect for hot weather. They are breathable and look good even if they are a bit wrinkled. Choose pure linen for the best feel.

Harrington jackets are great for the unpredictable weather. They are light and stylish, perfect for cooler evenings.

Jeans are always in style. A classic pair of jeans can be worn for many years. Look for a straight fit for a timeless look.

Accessories like sunglasses and tote bags can complete your look. Choose classic styles that won't go out of fashion quickly.

Flip-flops are back in style. They are comfortable and perfect for summer days. Look for simple designs for a clean look.

Swimwear should be comfortable and stylish. Try tailored swim shorts for a more polished look at the beach.

Sunscreen is important for protecting your skin. Use SPF daily to keep your skin healthy and looking young.

Grooming is also part of looking good. Simple tips like using a lint roller or a steamer can make a big difference.
