

Tottenham want to sign Bryan Mbeumo from Brentford. Mbeumo, from Cameroon, scored 20 goals last season and 70 goals in 242 games since 2019.

Tottenham's new boss, Thomas Frank, used to manage Mbeumo. Man United offered £45m plus £10m in add-ons for Mbeumo, but Brentford said no.

Mbeumo's contract has one year left with an option to extend. Tottenham hasn't made an offer. He moved to Brentford from a club in France.
