

CNC Meets Goals for 2024-2025

The Civil Nuclear Constabulary has done 93% of its jobs for 2024-2025 and is helping at new places and events like the Paris Olympics.

The CNC started an apprenticeship, helped other police, worked on nuclear sites, and improved Equality, Diversity, and Inclusion.

Leaders thanked the CNC for their hard work and teamwork. They believe the CNC will keep doing well. More details are on their website.
