

Israel attacked places in Iran, killing leaders and scientists. Civilians, including children, also died. Iran plans a strong response.

Two leaders were killed: Mohammad Bagheri, who wanted peace, and Hossein Salami, who spoke strongly against Israel.

Two leaders, Rashid and Hajizadeh, were killed. Rashid led military work; Hajizadeh, missile programmes. New leaders are now in place.

Some important scientists in Iran were killed. This has caused big changes and worries in Iran and worldwide.
