Lewis Hamilton believes Frederic Vasseur can help Ferrari improve. He enjoys working with Vasseur and aims to win with him.

Ferrari might change their leader, but Hamilton says it's "nonsense". He thinks new people need time to fit in and supports Vasseur.

Ferrari is having a hard time this year. Last year they almost won, but now McLaren and Red Bull are doing better in the races.

Hamilton is helping Ferrari make the car better. He is happy with the challenge and working hard to win.
