

David Beckham is in the news because people are talking about a family feud. This might make their family image weaker.

Sir David and Victoria are famous. Now, people are interested in their son Brooklyn and his wife Nicola.

There are stories that Brooklyn and Nicola are not getting along with the rest of the Beckham family. This started when Nicola didn't wear a dress by.

The family wants to show they are happy, but some talk about a rift. Brooklyn and Nicola missed David's 50th birthday, causing more talk.

Experts think that if stories continue, the Beckham family might seem more like a reality TV family with problems.

The family is strong despite rumours. Real unity might help. People love stories about famous families, making the feud interesting.
