

UN Backs Plan for Peace in Gaza

The UN agrees to a plan for Gaza by Donald Trump. It includes a peace force. The UK, France, and others support it, but Hamas does not.

The plan wants to take away weapons from groups like Hamas and protect people in Gaza. It also suggests making a new Palestinian police force. The.

The plan also talks about rebuilding Gaza with help from the World Bank. It mentions the idea of a Palestinian state, which some countries want. The.
