

Nick Brine worked with Oasis in the 1990s. Liam Gallagher accidentally broke Nick's guitar. Nick was an engineer for "Be Here Now."

Liam broke Nick's guitar, thinking it was Noel's. Noel gave Nick a special guitar he used for famous songs like "Wonderwall".

Nick was happy to get Noel's guitar. It's worth a lot of money and was a special gift.

Nick worked with Stone Roses and Stereophonics. He started at a studio at 16. Stone Roses' singer gave him a lift for his exam results.

Nick met Oasis while they recorded their first album. He helped with "(What's The Story) Morning Glory". It was exciting but very busy.

Nick feels lucky to have worked with famous musicians and even met movie star Jim Carrey at the studio.
