

The Brit Awards will be in Manchester at Co-op Live on 28 February. It's the first time since 1977 they aren't in London. They will return in 2027.

The BPI says visit UK places. Manchester is famous for music. Andy Burnham, the mayor, is happy.

The Brit Awards were at London's O2 Arena. Charli XCX, Robbie Williams, Take That, and Oasis have won Brit Awards.

Hopes for more winners in Manchester. If the live act award returns, Oasis might win. Dr Jo Twist from BPI is excited about the change.
