

Chance for Peace in the Middle East

Israel and Hamas might stop fighting. They talked in Egypt. They plan to stop fighting and swap hostages for prisoners. The war isn't over yet.

Humanitarian aid truck entering Gaza

The plan needs more work. Israel will allow more aid into Gaza. Both sides must agree on details. Problems like weapons in Gaza need solving.

People in Israel and Gaza are happy about the agreement, but the war still hurts. Many want peace if hostages return. More talks are needed.
