

UK Buys New Fighter Jets

The UK will get 12 new fighter jets, join NATO's nuclear mission, and create 20,000 jobs. The jets can carry normal and nuclear weapons.

Jets will be at RAF Marham. This is a big change to UK nuclear plans. UK will work with NATO to keep everyone safe.

UK companies help make jets. The UK wants safety and no nuclear weapons. The UK will keep helping NATO with its work.
