

News from Israel and Gaza

Israel got two bodies from Gaza. Hamas says they are hostages. The Red Cross helped. People are upset because all hostages were meant to be returned.

The Rafah border between Gaza and Egypt is shut. It's important for medical help. Hamas says finding bodies is hard due to rubble from air strikes.

Hamas gave back 20 hostages. Israel freed 250 prisoners. Many buildings in Gaza are gone. The UN says Gaza is now a "wasteland"
