

UN Talks About Gaza Aid Problems

The UN says people in Gaza are being hurt getting food. They want Israel to let more help in and are asking for an investigation.

The UN is worried that people in Gaza are not getting enough food. This is very bad, especially for those who can't walk far. Blocking help can be a crime.

Children in Gaza are in danger. Some work or marry early due to no food or safety. The UN is trying to help, but supplies are stuck at the border.
