

Peter Youings & Partners had noisy trucks. New rules on when trucks can start were made to help neighbours sleep better.

Trucks can start at 5:30 am on weekdays, 8:00 am on Saturdays, and must stop by 10:00 pm on weekdays, 6:00 pm on Saturdays. No trucks on Sundays.

The company must follow rules to keep their licence. They need to plan better to avoid disturbing people and make life quieter for everyone nearby.
