

Aryna Sabalenka beat Iga Swiatek in the French Open semi-final, ending Swiatek's 26-match winning streak.

Sabalenka will play in the final against Coco Gauff or Lois Boisson. Gauff is the favourite. Sabalenka has never reached the Paris final before.

Sabalenka is happy but says her job isn't finished. She called Swiatek her toughest opponent. The French Open is from 25 May to 8 June.
