

Hobbycraft is still open but changing. If you lost your job, you might get redundancy pay. Check GOV.UK to learn how to ask for it.

If you had a job contract, ask the Insolvency Service for redundancy pay. If you were a worker or self-employed, contact the Company Voluntary Arrangement supervisors.

You can get your money in about 14 days, but it might take 6 weeks. For help, call 0330 331 0020 or email the Redundancy Payments helpline.
