

The US Ambassador said Muslim countries should give land for a Palestinian state as they have more land than Israel.

Huckabee said the US is not working on a Palestinian state. He criticised a French and Saudi meeting and asked why it must be near Israel.

Some Israeli leaders want a "greater Israel" and oppose a two-state solution. They suggest a Palestinian state could be in other Arab or Muslim.

UK and other countries punished two Israeli ministers for causing violence. Huckabee was surprised. Many have died in Gaza since October 2023.
