

Tax-Free Childcare helps families save money. Nearly 826,000 families saved up to £2,000 per child in 2024-2025.

Families can get £500 every 3 months per child, or £1,000 if disabled. Parents must work 16 hours a week and earn under £100,000 a year.

Set up a Tax-Free Childcare account for each child. Use the money now or save it. Check if you can join and sign up on GOV.UK.
