

Microsoft's new handheld console, ROG Xbox Ally, plays Game Pass games anywhere. It's out in 2025, but the price is unknown.

Two Xbox Ally types: base with less memory, "X" with more. Both have 7-inch screens and can run other gaming platforms like Steam.

The Xbox Ally might be heavier than the Switch 2. The Switch 2 came out three days before the Xbox Ally was announced. Price for Xbox Ally is unknown.

New games like Tony Hawk's Pro Skater 3+4 and Call of Duty: Black Ops 7 will be on Game Pass from day one.

A remake of Persona 4, called Revival, is coming. It's about friends solving a mystery. Fans are excited, but there's no release date yet.
